

# Gerontology, Minor

## DEPARTMENT

MN in Gerontology, Minor

## REQUIREMENTS

Department

### Gerontology Minor Requirements

The Minor in Gerontology (study of aging) is open to students in any major. It is designed to serve undergraduate majors in business; communicative sciences and disorders; child, family, and consumer science; health science; nursing; kinesiology; physical therapy; psychology; therapeutic recreation; social work; and sociology.

The minor consists of 15 semester units of credit. Students should register in the Gerontology Program Office and meet with the gerontology director if they plan to request a minor.

Coursework must be completed with a C or better.

#### Required (6 units)

GERON 10S or GERON 100; GERON 161

#### Electives (9 units)\*

GERON 103, 111, 115, 117, 125, 132, 134, 137 (1-3 units), 139, 140, 148, 150

#### Total (15 units)

\*Other gerontology courses may be approved as alternatives with permission of a gerontology adviser.

**Note:** The Gerontology Minor also requires a 2.0 GPA and 6 upper-division units in residence. If students take a cross-listed course from their major, the cross-listed course only counts toward the Gerontology Minor if the unit requirements for the major can be met without using the cross-listed course toward their major.

**A Special Major** for those interested in Gerontology may be designed. The process for this is initiated through the University Advising Center, 559.278.1787, Joyal Administration, Room 224.

## FACULTY

For faculty phone numbers and e-mail, see the campus directory.

For more on the faculty, see the faculty pages.

The faculty pages are updated by the department or program.
