General Education/Degree Requirements				This is an unofficial document intended for advising and course planning only. It cannot be used to waive or supercede requirements listed in the catalog. Additional coursework for professional/graduate programs may not be reflected here. Students are expected to meet regularly with their advisor to ensure this plan is up to date. <b>GE Portfolio:</b> Students admitted to Fresno State after Fall 2018 will be required to submit specific assignments for GE courses taken at Fresno State, as well as reflections they write outside of class, to a GE Program Portfolio. More information is listed on the Canvas Portal.
