Total Units	120

General Education/Degree Requirements		irements	This is an unofficial document intended for advising and course
A1	D1		planning only. It cannot be used to waive or supercede
A2	D2		requirements listed in the catalog. Additional coursework for
A3	E		professional/graduate programs may not be reflected here.
B4	F		Students are expected to meet regularly with their advisor to
B1	IB		ensure this plan is up to date.
B2	IC		GE Portfolio: Students admitted to Fresno State after Fall 2018
B3	ID		will be required to submit specific assignments for GE courses
C1	MI		taken at Fresno State, as well as reflections they write outside of
C2	PLSI 2		class, to a GE Program Portfolio. More information is listed on
C1/C2	UDWS		the Canvas Portal.

Notes: ^CHEM 156 requires completion of the Upper Division Writing Skills Requirement.

*Must complete 7 units of Biology elective coursework, consisting of BIOL 102, as well as a combination of 4 more units from BIOL 103, BIOL 104, BIOL 120, BIOL 120L, or other approved courses.
