

MATSON ALARM

8401 N. Fresno Street Fresno, CA 93720 p (559) 438-8000 p (800) 697-9800 f (559) 431-6291 MATSONALARM.COM

Junior IT Specialist Position *Immediately Available*

Matson Alarm, an SDM Top 100 Company and a leader in the security industry for over 30 years, seeks a knowledgeable, motivated and enthusiastic Junior IT Specialist to join our exceptional system design team. We are looking for an individual with general IP and Port Forwarding knowledge as well as CAT5-E/CAT6 wiring and Microsoft Windows experience. Duties include setting up in-house systems and networks, ensuring company servers are working properly at all times and helping customers troubleshoot problems either on-site or over the phone. Position is full-time and requires the individual to be available on-call 24 hours/day for company and customer emergencies. A bachelor's degree is required for this position.

Matson Alarm offers outstanding benefits such as health, dental and vision insurance, 401K program with employer matching, paid vacation and more. Salary is commensurate with a number of factors including, but not limited to, work experience, applicable skills and educational background and will be discussed during the interview process. To apply please email a resume to Rebecca Matson Purtz at rebecca@matsonalarm.com.
