

SAN JOAQUIN VALLEY
Mathematics
PROJECT

SJVMP Class of 2020
Summer Leadership Institute

June 13, 15-19 & 22-24, 2020

Based on the grade level, participants will be able to choose a Content Standard. For elementary school teachers it will be Cognitively Guided Instruction (CGI) and for secondary school teachers it will be Teaching Student-Centered Mathematics. These will be held prior to the three-day residential workshop at Three Rivers.

Elementary (K-6)

CGI – Level 1

Saturday, June 13 and June 15-19

Secondary (6-9)

Teaching Student-Centered Mathematics

Saturday, June 13 and June 15-19

+
