

# Math T-Shirt Design Contest

As usual, the Math Club will be selling math shirts this semester. Hence, we are calling for submissions of t-shirt design ideas. We are looking for clever, fun, and new ideas for these shirts, (not so new ideas are: Don't Drink and Derive, Math is  $\int e^{xy}$ , etc). Feel free to use artistic expression involving Fresno State, math symbols, and anything else.

Winners will receive a free shirt with their design on it... and bragging rights.

Name: \_\_\_\_\_

Email: \_\_\_\_\_

Phone: \_\_\_\_\_

In the boxes below draw your design, and under them shortly describe the color of the fabric and of the words and/or pictures (2 colors total).
