Integration Bee - 2009 Results

Thirty-six students participated in the seventh annual integration bee on Tuesday, April 21. After round 1 there were 23 students left. After round 2 there were 13. Only one student was eliminated in the third round. After round 4, 8 students remained. In round 5, 6 students were eliminated, leaving two students, Vitaliy Goncharenko and Derek Peyton for the final round. Derek won the contest. The third place was not awarded.
