

Roadmap B.S. in Mathematics: Integrated Credential option For Transfer Students

This guide is an unofficial document intended to be used for advising and course planning. This document cannot be used to waive or supersede requirements listed in the catalog. Fulfillment of all University requirements (including required units) will be determined by the office of the Registrar.

This guide assumes that the student has satisfied and transferred from community college all of the lower division GE requirements, and the following courses: MATH 75, 76, 77, 81; and PHYS 4A+ 4AL⁰ and CSCI 40. All of these courses are required for the Mathematics major.

YEAR 1: FALL			YEAR 1: SPRING		
COURSE	UNITS	PREREQ	COURSE	UNITS	PREREQ
MATH 111	4	MATH 76	MATH 101	4	MATH 75
MATH 143	4	MATH 75	MATH 123 (UD GE area 2 ⁰)	3	MATH 77
MATH 152 ¹	4	MATH 77	MATH 161 (Spring only)	3	MATH 111
UD GE area 3	3		MATH 193D (Spring only)	1	MATH 111; and one of MATH 101, 143, 145

⁰PHYS 4A and 4AL (lab) are required for the this option.

⁰MATH 123 double counts for the major requirements and the upper division G. E. area 2/5 requirement (for the Integrated Credential option only).

⁰ ANTH 105W is required for this option; it satisfies the upper division Writing Skills Requirement and the campus MI requirement.

⁰CI 152 will also satisfy the upper division G. E. area 4 requirement (for students in the Integrated Credential option).

¹ It is suggested to take MATH 81 before taking MATH 152.

Advising note: Upper Division GE courses and MATH 101 are also offered during summer sessions. Students should meet with their academic advisor from the Department of Mathematics at least once per year.

Students in this option should consult with a credential advisor in the Department of Mathematics early in their first semester at Fresno State. Students need to **apply to the Single Subject Credential Program by the deadline** during the semester before taking Credential courses. Also, students are expected to attend an orientation meeting before they have access to enrolling in Credential courses.
