

Do you like puzzles and games? Do you enjoy math?

Join us for ***Sonia Kovalevsky Day*** on **Saturday, March 18, 2023**
between 9:00 am – 3:45 pm at California State University, Fresno!

This day celebrates women in mathematics and is designed to be fun and engaging for students in grades 8-12!

Explore the world of mathematics and what your future may hold. You will meet college mathematics students and like-minded peers, and take part in cool, interactive activities!

You must register by March 14, 2023 at the link below to participate.

Free + Fun + Prizes!
Lunch provided.
